

EXECUTIVE COMMITTEE NOTES--MAY 29, 1968

five members present

discussion of membership/mailling list--in september we should include Science Depts of various High Schools and colleges. need to set up guidelines as to how long to carry a member on the mailing list and who to carry.

discussion of constitution and by laws. Need for general revision and revisions discussed. New draft to be presented to membership in Sept.

Means of publicising the clug such as foreign student/home contact on a regular basis under club sponsorship and a booth in Natick Mall at Christmas time. suggestion that cards be made up for distribution at convention with pertinent info about club, to promote new membership suggested postponing any real serious new activity until september.
